Practice Both--Economy And Patriotism

OUR present Silk Sale offers El Paso women an opportunity to practice both Patriotism and Economy, even if Peace is declared.

"Made in America" Silks, wearing Silks to save Wool and being able to buy at prices that are obtainable during this sale is a short story, but one we believe El Paso women will understand.

Celebrating Peace today was more important than attending this sale—So come tomorrow—for it is hardly possible—even if the war is soon over—that these Silks can be offered again at such phenomenally low prices.

Prices previously advertised on both Silks and Woolens will remain in force as long as lots last.

The Window Displays of Silks and Woolens are most interesting—See them without fail.
